Generating Payroll

Payroll starting date

mm/dd/yyyy

« < Month, YYYY > »

1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31	1	2	3	4

Payroll ending date

One week after starting date

mm/dd/yyyy

Note:

Payroll ending date will be automatically filled in once the start date is inputted. If they input an end date, the start date will be automatically filled in to be one week before end.
